We are excited to announce a special event that will not only allow you to express your personal style but also contribute towards a great cause! Introducing Dress Down Day (some of you may know this from prior years), a fun and meaningful initiative where you can wear casual attire to school for just \$3.50 a day (\$35 for the year)! If you pay in advance, get a discount and only pay \$3.00 each day (just \$30 for the year). The funds raised will go to supporting The Fifth Grade class and grade level teams for items they may need throughout the year.

Remember, Dress Down Day is not just about wearing comfortable clothes. It's about coming together as a community to support education and ensure that our classrooms are equipped with everything our teachers need to provide the best learning environment for you. Please remember all clothing worn on Dress Down Days must meet the School District Dress Code requirements found in the Manatee County Student Code of Conduct.

So, mark your calendars and get ready to show your support! Let's make Dress Down Day a resounding success and work towards a stronger, more vibrant educational experience for all of us.

Sincerely,
Willis Elementary PTO
